 - f. Go back to the list of schools and repeat for each school in the list
- 6 Log out

Once the Operating Building Administrators is "activated," an email is sent inviting them to login and complete a similar process of updating and activating CTE teachers, academic and/or curriculum consultants. Our goal is to have all of the teachers activated in the system so they can start using MCCTE Navigator by the end of September 2011.

If you have any questions, please contact MCCTE at (888) 591-2789 or mccte@ferris.edu.
